- 1) A statement of the center's philosophy regarding guidance and discipline;**
- 2) Information on how discipline will be implemented by staff;**
- 3) Information on how parents will be involved in the guidance and discipline process;**
- 4) Information on how children will be involved in the guidance and discipline process;**
- 5) Written procedures for termination of a child's enrollment in the day care center because of disciplinary issues.**
